

Letter of Recommendation

22/05/2025

To Whom It May Concern,

I am pleased to write this letter of recommendation for **Ms. Penumudi Ananya**, who has recently completed a **three-month internship** with **Kartgen Infotech LLP** as an Operations Intern under the **Business Development Department**, from **23rd January 2025** in a work-from-home format.

During her time with us, Ananya consistently demonstrated professionalism, dedication, and a strong work ethic. She played a supportive role in various operational and business development initiatives, showcasing her ability to quickly learn and adapt to new challenges. Her proactive attitude and effective communication skills made her a valuable contributor to our team, especially in a remote working environment.

Ananya's capacity to take initiative and collaborate effectively with team members was evident throughout her internship. She approached tasks with enthusiasm and a genuine willingness to learn, which reflected positively in the quality of her work. Her performance during the tenure was commendable and met all expectations set for her role.

I have no doubt that Ananya will bring the same level of commitment and excellence to her future academic or professional endeavors. I strongly recommend her for any opportunity she chooses to pursue.

Regards

Shrivatsa Malviya
